Other ingredients: Gelatin, glycerin, and water.

**Amounts reported as weight of the fatty acid compound.

***Amounts reported as free fatty acid (FFA) equivalents by weight in accordance with voluntary CRN Monograph.

Suggested Use: 1 to 6 softgels daily with food.

This product supplies important omega-3 EPA and DHA fatty acids derived from fish body oils. Molecular distillation processing and specialized refining technologies yield an ultra-pure fish oil concentrate. Each batch is independently tested for mercury, pesticides, and PCBs to assure exceptional oil purity. Added natural vitamin E tocopherols maintain freshness by protecting against oxidation.

Do not use if full-bottle shrinkwrap is broken or missing. Store in a cool, dry place (59°F-85°F) away from direct light or keep refrigerated. KEEP OUT OF REACH OF CHILDREN.

This product was made in a GMP and ISO 9001:2000 registered facility.
